Enjoy the Ambiance

Imagine your next special event taking place in this charming and beautiful historic building in downtown Bradenton. Let a piece of the past warm its way into your heart, as you and your guests take a spin around our dance floor. Not much is needed to decorate the banquet hall, as the restored red brick walls set the tone with our original 1903 wood framed windows. Your guests will enjoy mingling at our attractive cherry wood and granite top bar. We have an event planner on staff to help ensure your event runs smoothly from start to finish.

You Can Control Your Event

You are welcome to use your own caterer or we can provide you with a list of caterers and other vendors. We want you to be happy with every aspect of your event.

Historical Facts About The Building

Enjoy the ambiance of the oldest Historical Building in Manatee County. Built in 1903, the Central Hotel was the first Hotel in the town of Manatee. The interior and the exterior of the building have been preserved to retain the original character. The interior walls of exposed red brick take you back to a simpler time. Renovations to its present condition were finished in 2003.

Event Planner
